

ABOUT

Sponsored by Rutgers University and co-sponsored by ISACA Brisbane, this unique event brings together practitioners and academics from around the world, who share tactics for overcoming challenges and seizing opportunities in today's shifting business landscape. The 37th World Continuous Auditing & Reporting Symposium (37 WCARS) will be held at Bond University, Gold Coast, Australia on 14-15 September 2016.

This conference is the leading forum for the discussion of research and practice into the application of technology to auditing and reporting. The conference alternates between US and non-US locations, with previous conferences held in Monaco (2004), Malta (2005), San Paulo, Brazil (2006-2015), Ferrara, Italy (2007), Crete (2008), Thessaloniki, Greece (2009), and Malatya, Turkey (2012), Brisbane (2014), Chengdu, China (2015), USA (2006-2015).

The symposium will feature practitioner, vendor and academic streams. Academic papers, presentations, and proposals for panels are sought for 37 WCARS with the participation of academic researchers, practitioners, vendors and implementers of new accounting related technology particularly encouraged. The conference is open to any innovative idea relating to IT-enabled auditing and reporting, including, but not limited to:

- Continuous Assurance
- Audit Analytics and Business Intelligence
- Big Data
- XBRL
- The Audit Data Standard
- Text and voice mining
- ERP and other data management technologies
